

**PROOF OF VACCINATION FOR RESIDENT**

Residents who need their proof of vaccination will be required to access it online on [Ontario COVID-19 vaccination service \(ontariohealth.ca\)](https://ontariohealth.ca).

In order to do so, the resident’s health card information is required. **Here are the steps to obtain the resident’s health card information from the Manor:**

**IMPORTANT**: Please be aware that emails requests **will only be answered on business days**, and may take 24-48 hours.)

- If you are a **Power of Attorney for Care** visiting the Manor, we will provide you with a paper copy of the health card upon request during business hours.
- If you are a **Power of Attorney for Care** and would like the health card information emailed to you, please request the health card information by email to the Manor at [info@ncmanor.com](mailto:info@ncmanor.com) using the template below:

I am the Power of Attorney of Care for \_\_\_\_\_ with the birthdate of \_\_\_\_\_.  
(Resident’s full name) (resident’s date of birth)

Please send by email both the health card number from the front and back of \_\_\_\_\_ health card to me at this email address.  
Name of resident

1. After receiving the health card numbers, you may visit the Ontario Covid site, [Ontario COVID-19 vaccination service \(ontariohealth.ca\)](https://ontariohealth.ca) and request the vaccine receipts.
2. After receiving the vaccine receipts, you may forward them to other members of your family that may be wishing to take the resident into establishments that require proof of vaccination.

**IMPORTANT**: Please be aware that emails requests **will only be answered on business days**, and may take 24-48 hours.
