- Each resident may have **4 specific Caregivers assigned** by either the resident or the Next of Kin/POA that are allowed into the Manor at this time –
  - please contact **705 335 6125 Extension 222** to identify which 4 Caregivers are chosen
  - once chosen, there will be no temporary changes to the identified caregivers
  - if no specific caregivers are identified** the Manor will go back to the original two caregivers identified at the start of the Pandemic.
- These 4 identified Caregivers (only 2 per visit)** may provide care at the same time or individually any number of times per day provided they have:
